

IMPORTANT DOCUMENTS

“GRAB AND GO”

A “Grab and Go” is a sealed bag or container, that contains copies of all of your important documents, so that in the case of a family emergency, you will have all of your important documents ready to go with you. It is a good idea to keep this bag in a very safe place, like at your emergency contact’s home or in a Safety Deposit Box. You should also review the contents of your “Grab and Go” bag periodically to ensure that everything is up to date. Please note: Your vehicle may not be a secure location as it could be stolen.
